## S.L.P.(UK) Limited

S.L.P. (UK) Limited was formed in 1993 to service the European Lighting and Ceilings market. During the past years the Company has established itself as the European market leader for Plastic Lenses, Louvres and Eggcrate Panels.

S.L.P. (UK) stock the widest most innovative range of lighting controllers in its field. With our excellent framing fabrication and finishing services, we confidently offer the most comprehensive package of products and services available from one source in the world.

In October 2004 S.L.P. (UK) purchased the assets of Glaziette Limited, a competitor based in Bolton UK. Glaziette's specialist area was extrusion of prismatic sheet. The acquisition serves to increase the companies UK manufacturing base as well as the service we can offer customers in the northern areas of the UK. In addition the flexibility of the UK based extrusion line enables S.L.P to offer a wider choice of economical solutions for custom sized orders.

S.L.P. (UK) Limited has built a reputation for service, quality and competitiveness. This combined with our first class technical knowledge and experience gained from over 40 years of this industry, makes S.L.P. (UK) Limited not only the market leader but also the market innovator.
